

Press Release

## Pakistan Textile Journal launches a new website

Pakistan Textile Journal, the only monthly technical trade journal for the textile industry of Pakistan launches a new website ([www.ptj.com.pk](http://www.ptj.com.pk)) to find the latest news, technological updates, new ideas and in-depth knowledge in a user-friendly interface. The visitors to the website can find all the latest news from the entire textile industry around the world as it happens.

Pakistan Textile Journal is very enthusiastic about this new communication media and looking forward to new possibilities.
